RE: South Brunswick Landfill
Hydrogeologic Investigation
(WE Project No. 02397131-500)

Dear Mr. Pierre:

In accordance with your requirements, we hereby submit a copy of the "Final Hydrogeologic Investigation at the South Brunswick Township Landfill." The conclusions contained within this report specifically address the recommendations made in the June 1981 report that has previously been submitted.

We are prepared to discuss the report and its findings at your earliest convenience.

Very truly yours,

WEHRAN ENGINEERING CORPORATION
